Map Details:
The map shows the island of Mallorca with 199 numbered locations. The locations are marked with symbols: a solid square (■) for the first response, an open square (□) for the second response, a plus sign (+) for more responses, and an arrow (→) for additional information. The locations are numbered from 1 to 199. The map includes a legend, a list of 199 numbered locations, and two inset maps. The first inset map shows the location of Mallorca in the Balearic Islands. The second inset map shows the location of Mallorca in the Mediterranean Sea, with labels for 'MAR MEDITERRÀNIA', 'l'Alguer', and 'Sardenya'.
